

IF TULSA'S BUILDINGS COULD SPEAK,
 they would promote better policies
 for our built environment. They would
 speak to protect our past beauty and
 enrich our future by encouraging
 quality new development.

JOIN TFA

SUPPORT TULSA'S BUILT ENVIRONMENT.

Your membership in TFA will help us:

- 1) Promote and encourage preservation and rehabilitation of significant architecture.
- 2) Conserve historic architectural drawings and related materials.
- 3) Identify valuable architectural works of merit.
- 4) Educate Tulsans about the built environment.

PRESERVATION BEGINS AT HOME.

Tulsa's "sense of place" is at risk. Please support our efforts to advocate better policies that can preserve and enhance aspects of Tulsa that make our city unique. The Tulsa Foundation for Architecture works to facilitate preservation and education through our:

- **Foundation Awards** programs that recognize important landmarks and lifetime achievements.
- **Speaker Series** that feature internationally acclaimed authorities on architecture and urban planning.
- **Tours** that celebrate Tulsa's Art Deco heritage, Route 66, and historic homes.
- **Publications** including *Tulsa Art Deco* and *Tulsa's Historic Homes* trilogy by John Brooks Walton.
- **Architectural Archives** of over 15,000 documents including the collected works of *John Duncan Forsythe*, *Donald McCormick*, *Murray Jones Murray*, *Joseph Koberling* and many more.
- Oklahoma's only **Designated Local Partner** of the National Trust for Historic Preservation.
